From Chelsea to
Cancún: a vibrant night
of food, fun, and networking.

To mark the exciting launch of Virgin Atlantic's brand-new route to Cancún this October, we brought a taste of Mexico to London with a vibrant evening at Mezcalito Chelsea. Guests were immersed in an authentic Mexican experience, enjoying delicious cuisine, handcrafted cocktails, and a lively, colourful atmosphere. The night provided not only a celebration of culture and connection but also an invaluable opportunity for networking with industry colleagues and partners. Stay tuned for more unforgettable hospitality experiences coming soon.

Here's what some of our
guests had to say about the day:

The event was a great eye opener into the world of travel, as a newbie, and I look forward to the next one when the opportunity arises.

My favourite part of the event was chatting to all the agents and meeting everyone, I really enjoyed the food and music.
