 DELTA

Highlights: Seattle experiential trip

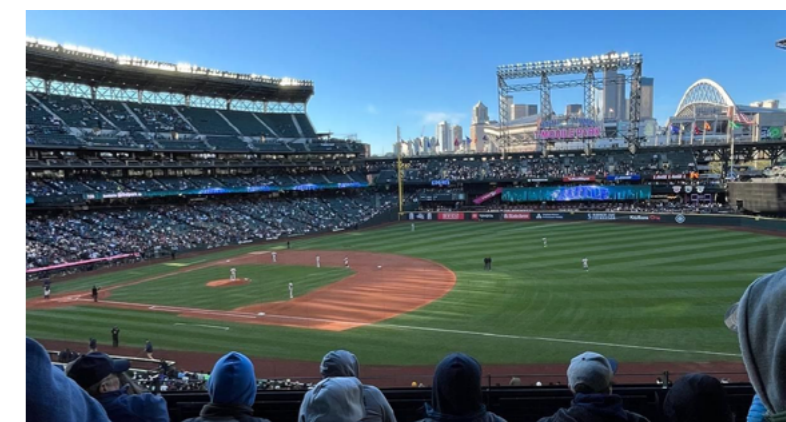

escape to the Emerald City trip highlights

We took our top Seattle and West Coast bookers on the premium trip of a lifetime to Seattle. In partnership with Virgin Atlantic, Delta Air Lines, and Visit Seattle, five lucky tour operators got to experience all that this stunning city had to offer.

The adventure began with an incredible experience in Delta's Premium cabin, where the group experienced all the cabin has to offer including fine dining and spacious seats to sit back and relax before the week ahead.

The group stayed at the Hyatt at Olive 8, only a 10-minute walk from Pike Place Market, which was for sure a foodie highlight of the trip. They sampled all the local delicacies on a guided tour, before heading off to a baseball game where the Mariners triumphed!

The next few days were filled with some incredible moments including taking in the views of Snoqualmie Falls over breakfast, wine-tasting overlooking the stunning vineyards, walking over the glass-bottomed floor on top of the famous Space Needle, and exploring the Chihuly Garden and Glass.

The trip concluded in Virgin Atlantic's Premium cabin, where everyone reclined their seats, enjoyed a glass of bubbly on board and caught up on some much-needed sleep.

Be sure to keep an eye out for our next experiential trip – you could be joining us next time!
