 DELTA

# Connected on every level

We're so proud of our three ways to fly Economy. Not only does it give you more choice when you fly with us, but it brings us totally in line with our JV partner Delta. Both Virgin Atlantic and Delta offer three Economy services, a Premium cabin, and a fabulous business class cabin.

So no matter who you fly with across the Atlantic, you can expect the same fantastic options. Not to mention our co-located check in areas at major airport hubs, mutually rewarding loyalty programs, and shared passion for warm, welcoming service.

No other airline partnership can offer you such a seamless experience.
