Handy tips for **Heathrow**

Ensure they're fully prepared.

We suggest online check in for a seamless experience but if your clients haven't done so, they can use the self service kiosks or traditional check in desks. For convenience, checked baggage can be dropped off at the bag drop desks. And don't forget, for your clients travelling in Upper Class, the award-winning Clubhouse at Heathrow is the perfect place to relax before a flight. And if they're arriving at Heathrow, they can refresh and recharge in the Revivals Lounge.
